Refreshments / Networking Opportunities	Keynote Speakers	AI / Technology	Wellbeing	Empowering Future Leaders	DEIB (Diversity Equity Inclusion & Belonging)	Big Questions

Day 1 - October 4

8h15 - 9h00	Registration (Rotunda) / Coffee (Auditorium)					
9h15 - 10h00 (Auditorium)	<p>Welcome & Guest Speaker #1 - Auditorium Pauline O'Brien Beyond the Classroom: How Educator Growth Fuels Student Success in a Changing World As educators, we are tasked with one of the most important responsibilities in society: preparing the next generation for the future. But how can we truly prepare our students for a world that is rapidly changing if we ourselves are not evolving alongside it? Today, we will explore the idea that to effectively nurture future-ready students, we must first ensure that we are future-ready ourselves. This means recognizing our own skills and competencies, embracing lifelong learning, and committing to our own career development. It's a journey of self-discovery, growth, and, ultimately, empowerment—for both us and our students.</p>
